

Dear Parents,

I am writing to you regarding **School Fees and Charges for 2026**.

The financial support of parents is vital to Flinders Park PS and contributes significantly to providing a wider range of educational opportunities than otherwise possible. We use contributed funds to purchase resources which enhance teaching, learning opportunities and enhance the learning environment at our school. These details are itemised in the accompanying schedule. The Flinders Park School Board has endorsed the attached Schedule of Contributions and Charges as required by the School Education Act (1999) and the School Education Regulations (2000). This package is designed to provide you with information about the possible costs associated with schooling at Flinders Park PS during 2026.

The Schedule of Contributions and Charges for 2026 is made up of the following items.

1. Voluntary Contributions

Whilst termed voluntary, these parent contributions are a **vital** part of our school funding. Every voluntary contribution received from parents goes directly to the education of the students at Flinders Park Primary School. The voluntary contribution is set at \$60 for each child to a maximum of \$180 per family. The voluntary contribution at Flinders Park has remained at this value for many years. These contributions provide an important source of funds that allow us to provide additional resources towards high quality teaching and learning. We thank you in advance for making such a valuable contribution to your child's education.

2. Charges

The schedule of charges represents the **maximum** charges possible during 2025. In general, these charges are not required as a lump sum. Most items will be charged individually as the activity occurs, such as excursions and incursions. Excursions and incursions are an important part of each child's education and we encourage participation wherever possible. Interschool Sport, PEAC, Choir and Instrumental Music are only charges for those students participating in these activities.

3. P&C Voluntary Contribution

The P&C requests a contribution of \$15 per student to a maximum of \$45 per family. The P&C generously supports Flinders Park PS by providing enriching activities for our community and generously providing funds for special projects, equipment and resources.

These fees and charges will not be payable until 2026. If you need further information, please contact the school office on 9892 5200 or by email flinderspark.ps@education.wa.edu.au

Thank you for your ongoing financial support of Flinders Park PS, helping us to provide enriched learning opportunities for every student.

Yours sincerely,

Kylee Weadley
