The Village OSHC will receive and pass on Child Care Subsidy payments to eligible families to reduce the cost of child care.

This calculator can help families to get an estimate of OSHC service cost, <https://www.childcaresubsidycalculator.com.au/>

Eligible families can apply for Child Care Subsidy (CCS), please contact Centrelink for more details.

CCS percentage depends on combined family adjusted taxable income. This chart shows estimated CCS% families might be eligible for:

Combined Family Adjusted Taxable Income (ATI)	CCS%
Up to \$72,466	85%
Above \$72,466 to below \$177,466	Decreasing to 50%. Subsidy decreases by 1% for each \$3,000 of family income. No annual CCS cap.
\$177,466 to below \$256,756	50%. No annual CCS cap
\$256,756 to below \$346,756	Decreasing to 20%. Subsidy decreases by 1% for each \$3,000 of family income. No annual CCS cap
\$346,756 to below \$356,756	20% No annual CCS cap
\$356,756 or more	0% (No CCS)

Normally 5% of weekly Child Care Subsidy entitlement will be withheld until the end-of-year reconciliation after the end of each financial year.

Few examples of estimated cost of OSHC service based on different CCS%:

If a family is eligible for 85% CCS

After School Care cost = \$7.99 per session

Full day care cost = \$19.06 per day

If a family is eligible for 75% CCS

After School Care cost = \$11.17 per session

Full day care cost = \$28.46 per day

If a family is eligible for 65% CCS

After School Care cost = \$14.34 per session

Full day care cost = \$37.87 per day

If a family is eligible for 55% CCS

After School Care cost = \$17.52 per session

Full day care cost = \$47.27 per day
